

CAREY

1827-1828-1829-1830

The Robert Burns of Carey

GRADUATE
SCHOOL

Research Conference 2019

*A Celebration of Applied
Theological Research*

Each year Carey's research community gathers to listen to and interact with the latest offers in applied theology conducted by Carey's faculty and thesis students.

In TED-Style talks, students present the fruit of their research and lead the community in a time of academic dialogue.

Carey's research faculty also present papers on aspects of their current and ongoing research.
