semester one 2021

## FORMATION GROUPS

*Knowing. Doing. Being.*

Formation is a place where we encourage and support other students, and grow together in our study and life journey.

### GENERAL FORMATION

*Information Commons Room, Library with Rachel Roche*

Study can easily dominate your time at Carey. Important though study is, in this Formation Group each week we take the time to pause, reflect, pray and have some fun together as we navigate life and study. Other students are also welcome.

### PASTORAL LEADERSHIP & YOUTH PASTORAL LEADERSHIP

*LR1 & 2 with Jonny Weir & Sam Kilpatrick*

These groups are designed to form the knowledge, skills, dispositions and habits for leading in ministry and mission. The end game is to prepare pastoral leaders to serve with confidence and competence.

### MISSION TRACK

*Upstairs Boardroom with George Wieland*

Join Mission Track students and others journeying together in their awareness of and participation in God's mission at home and across the world. We support each other in our mission learning and experience, practice missional Bible reading and hear from experienced mission practitioners and leaders. Join the group on-site at Carey or from anywhere by Zoom.

### NGĀ POU AMORANGI

*Te Whare Oranga with Rewai Te Kahu*

Akonga (learners and teachers) support each other to develop the necessary skills, knowledge and character to share the gospel effectively within te āo Māori.
