- You will be taken to the [ebs.ontrack login page](#). Click **Create An Account**.

- Complete the required fields, and click **Register** to create your account. You should receive a confirmation email that your account was created. You are now ready to begin your application process, but first, there's a bit you should know about navigating the portal.

Navigating the Student Portal

You'll notice the navigation menu on the left-hand side of the screen. From this menu, you can navigate through the Student Portal and access helpful links from the Carey website.

- **Homepage** takes you to your dashboard of the Student Portal, where you can monitor your application progress and see any next steps you need to take.
- **Your Details** shows your personal details, which you can change at any point in the application process.
- **Your Application** allows you to see a list of the applications you have started.
- **Your Documents** is where you can upload and delete supporting evidence (see below for further details).
- **Your Communications** shows you all the communication you have received from Carey in relation to your application(s). Any email we send about your application will also appear here.
- **Courses Timetable, Library, Student Handbook, and Academic Regulations** link, respectively, to areas on our website you may find helpful during your application process.

- Also, be sure to read the information under **Important things you need to know**. The Progress Bar marks your status as you complete each section of the application. Also, the Student Portal saves your progress, so you can leave and return if needed.

Important things you need to know

Easy to use progress bar

- Click the **Continue** button in the bottom right of the screen to move on.

Uploading Evidence (Supporting Documents)

Your application requires supporting documents. For a full list of required documents, visit our [application page](#), and click **Documents Required for Application**. Upload supporting documents (academic transcript, passport, etc.) to your application in the Student Portal, under the **Documents** in the left-hand navigation menu. You may need to navigate through the pages (Start > Details > Contact > Information > Education > Documents) by clicking your application from the Home Page and then clicking **Continue** at the bottom of the page until you land on the **Documents** page. A list of acceptable file types is on the screen (.DOC; .DOCX; .XLS; .XLSX; .PDF; .TXT; .JPG; .GIF; .BMP; .TIFF; .PPT; .RTF; .PNG; .FPX; .PCD).

- Select the document you wish to upload to your application under **Evidence Type**.

- Then click **Choose Files**.

* File(s) To Upload

Choose Files passport_student.jpg

- A window will open on your computer. Locate the file you wish to upload in the appropriate format. Click **Open**. The document name should appear on your screen. Click **Upload**.

- Your uploaded document should appear **Uploaded Evidence** (you can click the link to download and confirm the document, if needed).

- If you need to delete a document, simply click **Delete** next to the document you wish to delete. A dialogue box will appear for you to confirm your choice.

Important Information on Verified/Certified Copies of Documents

Some of your documents need to be verified or certified in order for them to be accepted. **Please note:** unverified documents are not accepted and will result in a delay in your application.

- Every applicant **MUST** submit verified **evidence of citizenship/residency**. This includes a passport or birth certificate.
- If you are applying for a postgraduate programme (note: Graduate Diploma is not a postgraduate qualification), you **MUST** submit verified copies of your **previous theological qualifications/degrees**
- If you are under 20 years of age, you **MUST** submit a verified copy of your **academic (e.g. NCEA) transcript or equivalent**
- Who is able to verify a document?
 - Justices of the Peace (JPs), Pastors, Public Notaries, Court Registrars, Deputy Registrars, Public Trust Officers, Barristers or Solicitors of the High Court, and some government employees are able to verify documents. Visit the [Justice of the Peace website](#) to find a JP near you.
 - You can also bring your documents to Carey's campus, and we can photocopy and verify your documents onsite.
- To verify a document, you need to:
 - Photocopy both sides of the original.
 - Take your copies and original documents to an official who can verify them.
 - The verifier needs to affirm on the front of each copy, with a signature and statement, that they have sighted your original document and that the copies are true.
 - Verified documents **MUST** have the verifier's signature to be accepted.

Submitting Your Application

Once you have completed each section of your application, you are nearly done! Simply click **Submit Application** to finish.

- After submission, we will review your application and be in touch about next steps. You can log back into the Student Portal at anytime for updates on your application (you will also receive an email or other communication as needed).
- The Progress Bar on the portal Home Page will also display your status on your application.

Accepting Your Offer

Once your application is received, it will be processed and reviewed by our staff. You will receive an email with an offer if your application is approved, and you will be able to accept your offer on the Student Portal.
