

Prayer

Lord, we give thanks today for the wonderful gift of Carey Baptist College.

We acknowledge you have blessed New Zealand Baptists with an amazing resource, and we ask that you continue to provide them with the resources they need to meet their purpose of, “serving the church by developing leaders for ministry and mission.”

Lord, the Baptist Union of New Zealand needs robust leaders to help our faith communities bring gospel renewal to people and places in our nation and beyond. Please raise up people prepared to give their lives to this task. Help us all to identify those around us with such a calling, and then to practically encourage and invest in their education and training at Carey.

Be with our Principal John Tucker and his staff team. Fill them with your joy as they serve the Baptist family of churches so diligently.

Lord, please pour out your blessing upon Carey today.

In the name of Jesus

Amen
