

Prayer

Lord God, we thank you for the blessing that Carey Baptist College is to the Baptist movement.

Thank you for 100 years of our college and for all the staff and students who have gone before. May the centenary celebrations be full of joy. Enable our college and all connected with it to flourish.

Thank you for the current staff, for their excellence in teaching and when speaking at our wider Baptist gatherings.

For the librarians and their willingness to serve alongside our pastors, speaking, preparing resources, helping students.

For how the management, administration and maintenance staff work hard to make Carey a great place to study.

We thank you for the new principal Paul Jones and his family and ask that they will settle into their new roles and rhythms quickly and easily.

We ask that Carey's move to the new building be smooth and that staff and students will thrive there.

Lord God, we cry out for you to raise up the next generation of pastoral leaders in the Baptist movement.

Let them be examples to the flock, guiding with upright hearts and skilful hands, rightly handling the word of truth.

Surround them with good people who will encourage, challenge and support them.

In Jesus' name,

Amen.
